JOURNEYMAN MILLWRIGHT | INDUSTRIAL MAINTENANCE TECHNICIAN II

(305) 492-0431

PROFESSIONAL SUMMARY

Journeyman-level millwright and Technician II with five years of industrial trade experience across Doral Corporation, IMI Staffing, Elite Four, and US Trades. Currently supporting the AIG1 Amazon warehouse facility. Forklift certified, experienced in welding, and highly skilled in rigging, lifting, load control, and material handling. Safety-focused and dependable, with a nontraditional career path built through hands-on field experience.

Seeking to contribute proven field experience, strong mechanical aptitude, and a safety-first work ethic as a member of the New England union workforce.

CORE SKILLS

- Advanced rigging, lifting, and load control
- Welding
